A Celebration of Imaging Science

Presentation of the
Academy Gold Medal

to

Douglas C. Maynard, MD

followed by the

**2016 Council of Distinguished
Investigators Induction Ceremony**

The Academy of Radiology Research is honored to present Douglas C. Maynard, MD with the 2016 Academy Gold Medal. This award recognizes Dr. Maynard's history of support for the Academy as both a founding member and Past President, his visionary leadership that led to the successful establishment of the National Institute for Biomedical Imaging and Bioengineering at the National Institutes of Health and for his lifelong passion and advocacy efforts on behalf of the imaging research community.
